

A photograph of a building facade featuring a window with two arched, louvered shutters. In the foreground, there are green plants with large, bright red flowers and a single yellow flower.

A photograph of a window with two arched shutters, partially covered by a large pink flower and green foliage. The window is set into a light-colored wall. The shutters are dark and have a horizontal slat pattern. A large, light pink flower with a yellow center is in the foreground, partially obscuring the window. Green leaves and other flowers are also visible on the right side of the frame.

A photograph of a building with a blue arched window and autumn foliage in the foreground. The image is slightly blurred and has a warm, autumnal color palette.

A photograph of a white building with a blue arched window. In the foreground, there is a pink hibiscus flower and a red one. The window has blue shutters and is framed by white stone. The building is white and the sky is blue.

A photograph of a white building with a blue arched window. In the foreground, there are pink and red flowers, likely hibiscus, with green leaves. The image is framed by a thin black border.

A photograph of a white building with a blue-shuttered window. In the foreground, there are pink and red flowers, likely hibiscus, with green leaves. The image is slightly out of focus.
